

Color Chart - This standard color chart maybe used to select the desired color for Kynar 500 2-step or Kynar XL (3-step), Baked Enamel or Baked Epoxy. For Powder Coat finish please refer to separate color chart.

Warranty - Kynar 500 standard warranty is five years. Twenty years warranty is available upon request at additional minimal cost. Baked Enamel standard warranty is one year, Baked Epoxy and Anodized Finish standard warranty is two years.

Anodized Finish - The appearance of an anodized finish may differ due to the type of metal such as alloy, temper, gloss and surface. Anodized colors will vary from one batch to the other.
